# 2019 FOOTBALL PROGRAM

## 2019 DEDICATION TO #22 KEVIN SULLIVAN (NHS '76)

This past March, the Newburyport community lost one of its best in Kevin Sullivan (NHS '76). Kevin was a huge supporter of everything NHS; a steadfast and devoted Clipper. While Kevin could be found in nearly any stands, no matter the sport; football was always at his core. During his time at NHS he excelled as a three sport student athlete, leading the Clippers to a football state championship in 1975 and compiling too many accolades, records and recognitions to be listed.

Once settling back in Newburyport after a stellar football career at UMass, Kevin raised a wonderful family alongside his wife and best friend Ellen (Bresnahan) Sullivan, another proud NHS graduate and former standout student athlete. Their children were born to be Clippers... with crimson and olde gold running through their veins and NHS memorabilia proudly displayed in almost every nook and cranny of their home.

In 1996, his first year of eligibility, Kevin was recognized by the NHS Wall of Fame and unanimously selected by the committee. While his achievements were many, Kevin was a modest, humble and a selfless gentleman who never boasted or bragged, always putting his team first.

*"When I see the plaques on that wall and realize you're going up there, it's a great feeling. I've always loved the Clipper colors, the stadium, the tunnel and those gold helmets. From the time I was eight years old, I knew I wanted to come out of that tunnel on Friday night and wear that gold helmet. ... [I'd like to thank all of my former teammates], it was very rewarding to be a member of a great class with successful people on and off the field."*

-Kevin Sullivan (To the Newburyport Daily News. 1996.)

While Kevin was a devoted father, husband and true family man, he was also generous with his time. He volunteered as a coach, he sponsored and gave to countless fundraisers supporting NHS athletics... and rarely missed any sporting event for decades.

The Friday night lights, a collegiate tailgating Saturday and a Patriots Sunday do not seem the same without Sully; his insight, his passion for life and his friendship will always be a part of the Clipper community who knew and loved him. We miss you Kevin. This season's for you.

### EPILOGUE

The NHS football team would like to dedicate this season to number 22 Kevin Sullivan. Kevin will always be with us in spirit, but will be honored as a game captain during each game as his #22 jersey will be accompanying our captains for the coin toss each week. In addition, knowing how much that gold helmet meant, the number 22 will be with each player, on that gold helmet, all season.

# A Letter From Coach

# BEN SMOLSKI

Clipper Fans,

Welcome to James T. Stehlin Field at World War Memorial Stadium home of your Newburyport Clippers. Friday night lights at NHS is an experience that has shaped many young men through the decades of NHS Clipper football. We are fortunate to play at the most unique and best venues in all of the Bay State. You cannot beat the smell of an autumn night while coming to the stadium on Friday Night. Having had the values of being a Clipper instilled in me by my father Thomas Smolski since I can remember it is now my time to share the lessons taught to me with the NHS community and the players that we as a coaching staff work with every single day. It is the goal of the NHS football program to exhibit those Clipper values of tradition, hard work, and perseverance that the crimson and the olde gold represent.

This year the Clippers are led by captains Trevor Foley, Charlie Cahalane and Trevor Ward. The Clipper football players have worked hard this preseason preparing themselves for the 2019 season. The Clippers have a strong contingent of upperclassmen along with many fresh faces in the Sophomore and Freshman classes. Each athlete has worked hard helping them earn their positions offensively, defensively and on special teams. Each member of our NHS Clipper football team has contributed to the progress we have made in the offseason through the effort and attitude they have put forth in the preseason. The Cape Ann League is filled with much competition and we look forward to competing this year.

As Clippers we do not only represent Newburyport High School, we represent the city of Newburyport, the ghosts of Clipper football past, alumnis and the future student-athletes that enter this historic football program. It is a pleasure and honor for our coaching staff to be coaching your NHS Clippers! Friday night at World War Memorial Stadium is here! Go Clippers!

'ONWARD, FORWARD, ONWARD FORWARD!'

'MAY WE CARRY ON THY BANNER AND BE WORTHY OF THY NAME!'

-Coach Benjamin Smolski

# A Letter From

# KYLE HODSDON

Dear Clipper Football Fans,

Welcome to the 2019 football season at Newburyport High School! Each season brings new optimism and this year's Clipper team has worked hard in the offseason to back up these expectations. Many current players played key roles on last year's playoff team who are hoping to lead the 2019 team to a deeper playoff run.

Ben Smolski enters his third year as the Clipper head coach. Coach Smolski led the 2018 team to a 5-6 record and key rival victories over Pentucket and Triton. A former standout on Coach Ed Gaudiano's squad of the early 2000's, Coach Smolski understands the importance of Clipper tradition. Most importantly, he is sharing the pride and history with his current team by bringing back legends for weekly motivational speeches at the team dinner prior to game night. Ben's infectious passion is evident on the field and in the classroom and he brings out the best in our student-athletes.

NHS has a proud football tradition with many great players wearing the Crimson and Old Gold. Many are still actively involved with the program through the Gridiron Club. This group provides much needed financial support to our team and we would not have the necessary equipment to compete at a high level without their presence. Please contact Steve Lapham if you're interested in learning more or becoming involved with this booster group.

We're fortunate to have many generous people and businesses in Newburyport. Please take a look throughout this program and visit and thank a business whenever possible. Without their support, we could not offer a first-class program for our many student-athletes at NHS.

I've been impressed by unwavering support from the Newburyport community at many athletic events throughout the year. Clipper pride is evident when former players, coaches and fans attend our games and support our current athletes. I hope to see you at our games throughout the 2019-20 school year, especially on November 28th when we host to Amesbury in the 98th annual Thanksgiving game!

Respectfully,

Kyle Hodsdon  
Director of Athletics
